## LONG-TERM GROUPS:

### LIFE GROUPS

LIFE Groups connect you with a small group of others in the church either in your age group or in younger/older generations. This will be the group of people that you “do life” with! Life Groups typically meet in homes usually once or twice monthly to deepen relationships and community, discuss Sunday messages or a book study, pray together, talk about life and have fun! Childcare not available - most groups work out childcare within their group.

### BIBLE DISCIPLESHIP GROUPS

Bible Discipleship Groups covenant together to read through the Bible on a two-year chronological plan, including memorizing scripture and learning to meditate on the Word. The goal is to understand the redemptive story of scripture and learn how to share it with others. New groups form when the two-year journey is complete or as interested participants sign up.
